

Nexon.ev 45 Red #DARK

Nexon.ev 45 Red #DARK Edition exudes a bold and confident character, embodying a perfect blend of sophistication and attitude. Its commanding presence is accentuated by dark-themed elements, including blacked-out accents and exclusive #DARK badging, which amplify its striking aesthetics. The interiors feature rich red leatherette upholstery, adding a sense of sportiness and luxury to the cabin, while the overall design radiates an aura of exclusivity and modernity. Designed for those who seek to make a statement, the Red #DARK Edition is more than an electric SUV—it's a reflection of individuality and a progressive lifestyle, crafted to stand out in every sense.

Key Highlights:

- ADAS:** The Red #DARK Edition is designed to incorporate Advanced Driver Assistance Systems (ADAS), offering enhanced safety and convenience with 14 features like lane departure warning, forward collision warning, and autonomous emergency braking.
- Bold Design Elements:**
