

for immediate use

**PRODUCT NOTE**

Tata Magna Coach

The Tata Magna Coach comes with a powerful 6.7L Cummins engine for unmatched performance for intercity transport. The advanced G1350 AMT (Automated Manual Transmission) gearbox provides seamless gear transmission for improved driver comfort. The bus comes with Advanced Driver Assistance Systems (ADAS) for unmatched safety. Designed for comfortable passenger experience, the 36-seater coach offers easy boarding and smooth ride, setting new benchmarks

USPs:

- High power 6.7L Cummins engine with a G1350 AMT for ease of driving
- Electronically-controlled air suspension with kneel and lift for maximum passenger comfort, optional air suspended driver seat
- Enabled with ADAS Level 2 feature with 20+ features and Adaptive Cruise Control, Driver Monitoring System
- Tyre pressure monitoring system for safety and improved tyre life
- Electronic braking system (EBS) and Electronic Stability control (ESC) for higher safety
- CAN Based Electro Magnetic Retarder
- Intelligent Transport System (ITS)
- Equipped with Fleet Edge, Tata Motors' connected vehicle platform, to optimize fleet management and max vehicle uptime
- FOTA enabled for seamless updates

Applications: Intercity passenger transport

Technical specifications:

Fully Built Bus	
Parameters	Specification
GVW (kg)	19000
Overall Dimensions (mm)	13500
Wheel Base (mm)	6925
Floor Height (mm)	1300
Overall Height (mm)	3900
Overall Width (mm)	2600
Seating Capacity	36 sleeper births + Driver + Co-driver (Option)
Brakes	Disc brake in the front and drum brake at the rear with EBS & ESC
Suspension	Air suspension in front & rear with ARB (anti-roll bar) and ECAS
Steering	Electronically hydraulic assisted power steering
Performance	
Max. Speed	100 kmph
Powertrain	
Engine	6.7L Cummins ISBe Engine
Max. Power	300hp @ 2300 rpm
Max. Torque	1100Nm @ 1100-1700 rpm
Transmission	Automated Manual Transmission (AMT)
