

HARRIER

#DARK

Engineered on OMEGARC (Optimal Modular Efficient Global Advanced Architecture), which is derived from Land Rover's Legendary D8 Platform, the HARRIER is a perfect combination of stunning design and performance. Celebrating the success of the bold #DARK range which re-defined the customer's choice of SUV Personas, Tata Motors is introducing the all new #DARK (read as "Red #DARK") on this premium 5 seater SUV.

In its all new avatar, HARRIER #DARK offers unique enhancements in vehicle's design and features making this SUV more premium and magnetic. Key design changes include Oberon Black body colour with Zircon red accents in the exteriors and Carnelian Red-Steel Black Interior theme. Along with design enhancement, the all new HARRIER #DARK will also come with host of new exclusive premium features like an enhanced touch screen infotainment system, powered driver seats with memory function, 360° surround view system and many others, making the HARRIER best-in-class.

Key highlights:

A) Design:

The all new HARRIER #DARK will sport unique design additions for those who exhibit power and dominance. In the interiors the key elements include Carnelian Red Interior theme, leatherette seats with diamond shaped quilting, leatherette grab handles on doors and central console, steel black front dashboard design, piano black accents on steering wheel, console and doors. In the exterior key elements include Oberon Black body colour, R18 Blackstone alloy wheels, Zircon red Calipers on the front and rear discs, Zircon Red inserts in the front grille, #DARK logo on the fenders and a satin Daytona Grey front and rear skid plates.

B) Features:

Tata Motors' premium 5 seater SUV – the HARRIER along with exclusive design enhancements will also boast of host of new features in Connectivity, Comfort & Convenience and Safety, many of which will be first in segment. Features to note are:
